CAMP4 Therapeutics Corporation (CAMP) — Overweight

Phase I/II ASCEND Study of CMP-002 for SYNGAP1-Related Disorders Start in 4Q:26

CONCLUSION

CAMP4 expects to dose the first patient in the Phase I/II ASCEND study by YE:26 with signal finding top-line data expected in 1H:28. Preclinical data showed CMP-002 reduced both incidence and severity of seizures in a SYNGAP1 humanized mouse model. CAMP4 announced its 2nd program for Phelan-McDermid syndrome, another haploinsufficient neurodevelopmental disorder caused by mutations in the SHANK3 gene. In December, CAMP4 partnered with GSK to develop ASOs against regulatory RNAs (regRNAs) for multiple targets in neurodegenerative and kidney diseases. We estimate CAMP4 has pro forma cash of ~$133 million to fund operations through YE:28. We reiterate our Overweight rating and $15 price target.

- **SYNGAP1-Related Disorders** are rare neurodevelopmental conditions characterized by movement disorders, developmental delays and features of autism spectrum disorder with ~85% of patients experiencing epileptic seizures. Mutations in the Synaptic Ras GTPase Activating Protein (SYNGAP) cause haploinsufficiency and low SYNGAP1 protein levels. Normal SYNGAP1 localizes to the postsynaptic density of glutamatergic neurons, where it regulates signal transduction and protein-protein interactions, acting as a negative regulator of excitatory synaptic strength. Consequently, reduced SYNGAP1 levels lead to excessive or abnormally timed excitatory synaptic signaling, altered synaptic development, impaired neuronal-network regulation, and seizures. There are currently no approved therapies for SYNGAP1-related disorders.

- **Phase I/II ASCEND Study to Start by YE:26.** CMP-002 is an intrathecally-delivered ASO that targets regRNAs to upregulate SYNGAP1 gene expression, restore protein levels and reduce aberrant neuronal firing. The CTA for the Phase I/II ASCEND study has cleared in UK, Australia and Argentina, and is awaiting clearance in Europe. ASCEND will enroll genetically confirmed SYNGAP1-related disorder patients age 2-17 years with daily seizures, impaired sleep and inability to speak in phrases. ASCEND will randomize 3 MAD cohorts (3:1) of 8 patients each to receive 3 CMP-002 doses or sham pinprick over 3 months with 6 months of follow-up. 24-hour video EEG will measure both seizures and sleep disturbances. Seizures will also be assessed by seizure diaries and seizure-related impact assessment scale (SERIAS), and sleep by Children's Sleep Habits Questionnaire (CSHQ) and actigraphy before each clinical visit. Other domains of function including communication, motor, behavior, and development will be assessed with validated measures such as Bayley Scales of Infant and Toddler Development, Vineland Adaptive Behavior Scales, Aberrant Behavior Checklist, Observer-reported Communication Ability Measure, and Gross Motor Function Measure. CAMP4 anticipates reporting top-line data in 1H:28.

RISKS TO ACHIEVEMENT OF PT & RECOMMENDATION

regRNA therapies may fail in the clinic or to gain approval. CAMP4 may be unable to sign new partnerships. CAMP4 may need additional capital or face future litigation.

COMPANY DESCRIPTION

CAMP4 is developing regRNAs as a novel therapeutic modality.

Note: Distribution of Ratings/IB Services shows the number of companies currently covered by fundamental equity research in each rating category from which Piper Sandler and its affiliates received compensation for investment banking services within the past 12 months. FINRA rules require disclosure of which ratings most closely correspond with "buy," "hold," and "sell" recommendations. Piper Sandler ratings are not the equivalent of buy, hold or sell, but instead represent recommended relative weightings. Nevertheless, Overweight corresponds most closely with buy, Neutral with hold and Underweight with sell. See Stock Rating definitions below.

Analyst Certification

The analyst Edward A. Tenthoff, primarily responsible for the preparation of this research report, attests to the following:

The views expressed in this report accurately reflect my personal views about the subject company and the subject security. In addition, no part of my compensation was, is, or will be directly or indirectly related to the specific recommendations or views contained in this report.

Piper Sandler research analysts receive compensation that is based, in part, on overall firm revenues, which include investment banking revenues.

Time of dissemination: 28 September 2026 18:11EDT.

Research Disclosures

Piper Sandler has had a client relationship or has received compensation for investment banking services from CAMP4 Therapeutics Corporation within the past 12 months.

Piper Sandler was a registered market maker or liquidity provider in the securities of CAMP4 Therapeutics Corporation at the time this research report was published.

Affiliate disclosures: Piper Sandler is the trade name and registered trademark under which the corporate and investment banking products and services of Piper Sandler Companies and its subsidiaries Piper Sandler & Co. and Piper Sandler Ltd. are marketed. This report has been prepared by Piper Sandler & Co. and/or its affiliate Piper Sandler Ltd. Piper Sandler & Co. is regulated by FINRA, NYSE and the United States Securities and Exchange Commission, and its headquarters are located at 350 North 5th Street, Minneapolis, MN 55401. Piper Sandler Ltd. is authorised and regulated by the Financial Conduct Authority, and is located at 6th Floor, 2 Gresham Street, London EC2V 7AD. This report is distributed in the European Union by Piper Sandler Europe SAS, a French “société par actions simplifiée” incorporated in France under the number RCS Paris 932 083 769, the registered office of which is 10, place Vendôme, 75001, Paris, France. Piper Sandler Europe SAS is licensed as an investment firm by the Autorité de Contrôle Prudentiel et de Résolution and supervised by the Autorité des Marchés Financiers. Disclosures in this section and in the Other Important Information section referencing Piper Sandler include all affiliated entities unless otherwise specified.

Rating Definitions

Stock Ratings: Piper Sandler fundamental research ratings are indicators of expected total return (price appreciation plus dividend) within the next 12 months. At times analysts may specify a different investment horizon or may include additional investment time horizons for specific stocks. Stock performance is measured relative to the group of stocks covered by each analyst. Lists of the stocks covered by each are available at www.pipersandler.com/researchdisclosures. Stock ratings and/or stock coverage may be suspended from time to time in the event that there is no active analyst opinion or analyst coverage, but the opinion or coverage is expected to resume. Research reports and ratings should not be relied upon as individual investment advice. As always, an investor’s decision to buy or sell a security must depend on individual circumstances, including existing holdings, time horizons and risk tolerance. Piper Sandler sales and trading personnel may provide written or oral commentary, trade ideas, or other information about a particular stock to clients or internal trading desks reflecting different opinions than those expressed by the research analyst. Piper Sandler will buy and sell securities of the subject company on a principal basis, regardless of whether it is a registered market maker in those securities. In addition, Piper Sandler offers technical research products that are based on different methodologies, may contradict the opinions contained in fundamental research reports, and could impact the price of the subject security. Recommendations based on technical analysis are intended for the professional trader, while fundamental opinions are typically suited for the longer-term institutional investor.

Overweight (OW): Anticipated to outperform relative to the median of the group of stocks covered by the analyst.

Neutral (N): Anticipated to perform in line relative to the median of the group of stocks covered by the analyst.

Underweight (UW): Anticipated to underperform relative to the median of the group of stocks covered by the analyst.

Other Important Information

The material regarding the subject company is based on data obtained from sources we deem to be reliable; it is not guaranteed as to accuracy and does not purport to be complete. This report is solely for informational purposes and is not intended to be used as the primary basis of investment decisions. Piper Sandler has not assessed the suitability of the subject company for any person. Because of individual client requirements, it is not, and it should not be construed as, advice designed to meet the particular investment needs of any investor. This report is not an offer or the solicitation of an offer to sell or buy any security. Unless otherwise noted, the price of a security mentioned in this report is the most recently available closing market price. Piper Sandler does not maintain a predetermined schedule for publication of research and will not necessarily update this report. Piper Sandler policy generally prohibits research analysts from sending draft research reports to subject companies; however, it should be presumed that the fundamental equity analyst(s) who authored this report has had discussions with the subject company to ensure factual accuracy prior to publication, and has had assistance from the company in conducting diligence, including visits to company sites and meetings with company management and other representatives.
Notice to customers: This material is not directed to, or intended for distribution to or use by, any person or entity if Piper Sandler is prohibited or restricted by any legislation or regulation in any jurisdiction from making it available to such person or entity. Customers in any of the jurisdictions where Piper Sandler and its affiliates do business who wish to effect a transaction in the securities discussed in this report should contact their local Piper Sandler representative, or as otherwise noted below. **Canada:** Piper Sandler & Co. is not registered as a dealer in Canada and relies on the "international dealer exemption" set forth in National Instrument 31-103 – Registration Requirements, Exemptions and Ongoing Registrant Obligations of the Canadian Securities Administrators. This research report has not been prepared in accordance with the disclosure requirements of Dealer Member Rule 3400 – Research Restrictions and Disclosure Requirements of the Investment Industry Regulatory Organization of Canada. **United Kingdom:** This material is for the use of intended recipients only and only for distribution to professional and institutional investors, i.e., persons who are authorised persons or exempted persons within the meaning of the Financial Services and Markets Act 2000 of the United Kingdom, or persons who have been categorised by Piper Sandler Ltd. as professional clients under the rules of the Financial Conduct Authority. **European Union:** This material is intended only for institutional investors (professional clients and eligible counterparties within the meaning of the Markets in Financial Instruments Directive (Directive 2014/65/EU of the European Parliament and of the Council of 15 May 2014)). Piper Sandler Europe SAS is licensed as an investment firm by the Autorité de Contrôle Prudentiel et de Résolution and supervised by the Autorité des Marchés Financiers. **United States:** This report is distributed in the United States by Piper Sandler & Co., member SIPC, FINRA and NYSE, Inc., which accepts responsibility for its contents. The securities described in this report may not have been registered under the U.S. Securities Act of 1933 and, in such case, may not be offered or sold in the United States or to U.S. persons unless they have been so registered, or an exemption from the registration requirements is available.
This report is produced for the use of Piper Sandler customers and may not be reproduced, re-distributed or passed to any other person or published in whole or in part for any purpose without the prior consent of Piper Sandler & Co.
